

## **NANTUCKET SINKS TARIFF SCHEDULE | 2025**

**Effective 5/1/2025 (v.1.1 – 4/16/2025)\***

Document is 8 pages

- Please note that all tariff surcharges are subject to change or repeal based on actual global tariff implementations. There is also the possibility for additional products to be added to the tariff schedule in later versions. As such, we will do our best to keep our valued customers aware of any changes, if possible and necessary. All updates will be reflected in the index and correlated to version number.
- Tariffs are implemented starting on 5/1/2025. Only orders placed on 5/1/2025 or later are subject to tariff surcharges. All orders placed prior to this date, including back orders, are exempt from tariff surcharges.
- Tariff surcharges do not count towards any FFA amounts – all FFA level qualifications are based on base net product costs only.
